Re: Marcia Ranum, Membership Application.

To Whom It May Concern:

Ms. Ranum has many years of experience servering civil process through the Freeborn County Sheriff's Office. She has served process for me with outstanding results. I know her to be of good character and believe she would be a fine addition to the NAPPS membership roles. Not to mention she will be providing service in an area of our state which badly needs her services.

If you have any questions please do not hesitate to contact me directly.

Sincerely,

Thomas H. Lindrud
